Serita on the road to recovery

Injured bobsleigh athlete undergoes second operation

FORMER Thomas Hardye student Serita Shone is today recovering from her second spinal operation.

The 22-year-old suffered severe spinal injuries after a high-speed crash during her bobsleigh training on the Winterberg track in Germany.

It is hoped the sporting protégé will make a full recovery after she was able to stand following an initial four-hour operation.

Depending on the success of the second operation, which took place on Tuesday, November 1st, she will return to her Weymouth home in the next two weeks.

Serita is currently recovering in a German hospital ward bedecked with a union jack and a signed tracksuit - presents from her teammates.

The parents of the Great Britain bobsleigh team member have flown to Germany to be close to their daughter as she recovers.

She was rushed to an intensive care ward last week for the first operation on two damaged vertebrae after the bobsleigh she was in landed on top of her as she practiced for the British Championships.

It is still not known if Serita will compete at the top level of her chosen sport again.

Olympic Performance Director for the bobsleigh team, Gary Anderson, said the former heptathlete was coping surprisingly well.

Speaking ahead of Tuesday's second operation, he said: "This is one tough athlete. She is totally determined to get on the road to recovery.

"She has movement in her arms and legs, however, it is quite limited because she gets very tired.

"She's been standing up and been for a short ride in her wheelchair.

"She even texted me to check out the result of X-Factor this weekend."

Mr Anderson said he was unable to confirm Serita's future beyond the latest operation and that getting her back to full health was the top priority.

He added: "We cannot say if she will compete again, we just don't know.

"Her recovery is a long, slow process and we want to make sure we get it right.

"There's lots of little milestones to achieve before we can do anything, but we will ensure she gets the best possible help."

Serita had been chosen to join the team during a selection process in Latvia just days before the accident.

The Leeds Metropolitan University student will be finishing the dissertation for her MSc in sport and exercise nutrition during her recovery thanks to the generosity of her fellow athletes.

Serita will be given an i-Pad after the Netherlands bobsleigh team donated their £500 prize money from the weekend's British Bobsleigh Championships along with donations from the British team.

60 SECOND INTERVIEW

AS Remembrance Day approaches, we speak to John Hunt, fondly known locally as "Army John", from Lyme Regis, who served 24 years under several cap badges and travelled the world during his Army career.

Originally from the Isle of Wight, John first visited Lyme Regis after reading about the town in a novel in 1988.

He now lives here permanently and is a member of several local organisations, including the Royal British Legion Lyme Regis Branch, for which he will take over the role of treasurer later this year.

WHEN did you join the Army?
I first joined the Army in 1984 when I left school, aged 18. I have given 24 years coloured service, as I left before briefly, and have served in several different regiments, including the Royal Chrous Signals, the Devon and Dorset Regiment which then became The Rifles.

WHY did you decide to join?
I wanted to do something exciting with my life. I wanted to leave home, see the world and do something challenging.

WHERE were you based?
I travelled all over the world. Some of the places I was based were Hong Kong, Germany, Northern Ireland, Berlize and Iraq.

WHERE was the best place you visited during your Army career?
Hong Kong was my favourite place. I was young and it was a great lifestyle with lots of different people.

WHY did you move to Lyme Regis?
I read about it in a novel, but not "The French Lieutenant's Woman"! I hadn't heard of that. Geoffrey Household wrote "Rogue Male" and it in the hero goes to Lyme Regis. The author described it so nicely so I came here in 1988. I came for one night really and have stayed here since!

WHAT do you like about living in the town?
Its insularity. Everyone knows everybody else and no one can have a secret here. If you have a problem you can share it, and people usually do.

The small things which are irrelevant elsewhere are important to everyone here, and they probably should be. I don't mind people talking or gossiping about me. It's better to be talked about than forgotten.

WHAT would you change if you could?
Nothing really. Maybe the attitudes of some people. For example, I think the Three Cups Hotel has stayed closed for over 20 years because of the attitudes of some people who don't want it to be anything else, and certainly not because of Palmers.

WHY did you join the Royal British Legion?
The army gave me a great life. I've seen a lot of my mates injured or killed and I respect the old who responded to the call of duty and sacrificed themselves in hideous wars. They did this on our behalf and I think I should be doing something on their behalf.

As old soldiers fade away, so their needs become more important, and the need for the Legion to keep going and funds to be raised never slackens.

WHAT are your other personal interests?
I'm goundsman at Uplyme and Lyme Regis Cricket Club, a member of St Michael's Parish Church choir and of Lyme Regis Operatic Society. I also enjoy walking, watching football and going to the pub!

WHERE is your ideal holiday destination?
My ideal holiday destination would be a cruise down the South Atlantic to visit all our remaining tiny posession there.

WHAT would you do if you won the Lottery?
I suppose we could finish paying for the new church organ and repair the clock tower. But I have to point out that I haven't, so please donate generously!

Cash stolen in pub thefts

POLICE are appealing for witnesses and anyone with information to come forward after two burglaries at public houses in the Dorchester area.

The first incident occurred sometime overnight between Thursday, October 20th and Friday, October 21st at the Black Dog public house on Main Street in Broadmayne.

A quantity of cash, from both the bar area and the staff storage area, was stolen during the burglary.

This included up to £350 taken from a Christmas club fund in the bar, which local residents had contributed to.

The second incident happened at the Coach and Horses public house in Winterborne Abbas, in the early hours of Wednesday, October 26th.

Again, a quantity of cash was stolen during this burglary.

Inspector Les Fry, of Dorchester Police, said: "I'd urge anyone with any information about either of these incidents to contact me.

"The theft of the Christmas club fund at the Black Dog pub is a real blow to the local residents who had been saving up for their Christmas festivities.

"It appears at this stage that the incidents are linked, but we are keeping an open mind and I need to hear from anyone with information about either incident.

"I'd also urge home and business owners to remain vigilant and report any suspicious activity to police."

Witnesses and anyone with information should call Dorset Police in confidence on 101 quoting incident number 21:095. Alternatively, call the free and anonymous Crimestoppers line on 0800 555 111 where mobile phone tariffs may apply.

Pupils attend national awards ceremony

THE Prince of Wales School pupils with teacher Gary Spracklen at the National Teaching Awards

THREE pupils from The Prince of Wales First School, Dorchester travelled to London at the weekend to attend the Pearson National Teaching Awards.

The pupils' work on a short film project had been selected by a panel of distinguished educators as a finalist in the prestigious National Teaching Awards, 'Film My School' competition.

On the night the pupils narrowly lost out to the Lewis School Pengan, a secondary school in South Wales - despite this, they fully enjoyed their experience.

Teacher Gary Spracklen who worked with the pupils to create the film said: "For three pupils aged eight to nine to be finalist in a National competition which was open to all ages of students is a phenominal achievement.

"The pupils video encapsulated the powerful learning that takes places in our school and we are all very proud of what they have achieve."

The pupils, Lauren Crane, Beatha Dalgleish and Annabel Stevens enjoyed the experience and can't wait to get started on next year's entry.

Downton Abbey star joins CLA 'Can't Get Online' campaign

RURAL champions, the Country, Land & Business Association, have launched a campaign designed to highlight the problems of rural areas still struggling to access broadband, and have the backing of a top television celebrity who also suffers the same problem.

The CLA's campaign 'Can't Get Online' is a counterbalance to the Government's week-long promotion running this week (from October 30th until November 6th) encouraging people to get online.

The association's aim is to ensure that every rural business and household can access a broadband connection of at least five megabits per second.

The problem, according to CLA experts, is that a fifth of rural England still cannot access even modest broadband speeds.

The campaign has already won the backing of *Downton Abbey* star, Hugh Bonneville, who plays the Earl of Grantham in ITV1's popular period drama.

Hugh lives in a village just 40 miles outside London but he says the broadband connection is "pretty pathetic" and wants infrastructure companies to give the countryside a chance.

He said: "I'd love to run aspects of my work from home; I'd love to sign up for services that stream content but the connection's just too unreliable. Some days I can't even send an email and there doesn't seem to be much I can do about it."

The week-long 'Can't Get Online' roadshow, which is sponsored by the CLA, will see IT and social media expert, John Popham, touring rural communities across England to highlight the difficulties they face in getting online.

He will be encouraging people with inadequate or non-existent broadband to find a friend with a broadband connection and sign the CLA petition calling for a minimum universal service commitment of five megabytes.

CLA South West director, John Mortimer, said: "In today's world it is just not acceptable that broadband providers can choose to ignore rural areas.

"The Government wants us to fill in tax returns online because it's more cost-effective and schools expect children to do homework online.

"This is only possible if homes and businesses have access to superfast broadband - internet service providers must be persuaded to bring broadband 'not-spots' up to speed rather than making the already fast even faster."

People can sign the CLA petition at www.cla.org.uk/Policy_Work/ Petitions

Anybody who cannot access the petition can call the CLA regional office and leave their details to be added to the petition. The CLA in the South West can be contacted on 01249 700200.

Road casualties continue to fall thanks to road campaign

The number of people killed or seriously injured on Dorset's roads has dropped by 18 per cent since the 'no excuse' countywide project was launched. This reduction was found when comparing data from the latest 18 month period to the 18 month period before the 'no excuse' campaign was launched in Dorset in January 2010.

In addition, the number of offences processed by the Dorset Road Safe 'no excuse' project team has fallen by eight per cent so far this year when compared to the same period in 2010 – despite the same level of enforcement resources being used.

Seatbelt offences have continued to drop and now comprise 22 per cent of tickets issued by traffic officers – down from 35 per cent in the same period in 2010.

Brian Austin, 'no excuse' Project Manager, said: "Although we are pleased with the increase in drivers wearing their seatbelts, it is important that we do not become complacent.

"There have been collisions in Dorset where those choosing not to wear a seatbelt have suffered life changing injuries and we must continue with our goal to change the mindset of those willing to take these risks.

"It is extremely disappointing to note that the percentage of drivers putting themselves and other road users at risk by using their mobile phone while driving remains unchanged at 16 per cent of tickets issued in September.

"Dorset Road Safe partners are committed to identifying motorists using their mobile phones and I'd ask the careful drivers and pedestrians of Dorset to continue to report those that are putting others at risk."

A total of 11 motorists received a ticket for driving whilst distracted and 22 drivers were caught driving without valid insurance or MOT in September.

Brian Austin continued: "Where possible, Dorset Police and its partners in Dorset Road Safe continue to offer valuable education course options instead of penalty points and fines or court appearances.

"Attendees on the courses continue to praise the content and delivery by the Advanced Driving Instructors.

"By using the excellent local intelligence of our Safer Neighbourhood Teams combined with more Surround a Town operations and continued overt and covert daily enforcement, we will continue to educate the bad and careless drivers using Dorset's roads.

"With the approaching winter weather we want to encourage safer motoring across Dorset to reduce the risk of injury or death.

"The 'no excuse' project is now in its second year of operations and it has already increased its presence across the county.

"However, we will expand this further by running operations in conjunction with partners in Safer Neighbourhood Teams. In fact, recent operations have already taken place in Sherborne, Wareham and Dorchester."

Nothernhay road closure

NORTHERNHAY in Dorchester will be closed between 9.30am and 4.30pm Monday to Friday following the start of work to replace the retaining wall began on Monday, October 31st.

This phase will comprise the section of the wall from opposite the entrance to Loders car park to The Grove.

The work is scheduled to take 18 weeks to complete.

Due to the nature of the work and the limited carriageway width, a road closure will be required to carry out the works safely.

At the end of the working day and at weekends Northernhay will be re-opened to traffic in one direction only from The Grove eastward to Glyde Path Road.

A diversion route will be signed using The Grove, Colliton Park and Glyde Path Road.

It will also be necessary to temporarily suspend the parking bays along Northernhay for the majority of the works.

The county council has agreed that residents holding permits to park in Northernhay and Glyde Path Road may park on The Grove and School Lane during this time.

Two-way access will be available at all times to Caters Place from Glyde Path Road.

Out of working hours (before 9.30am and after 4.30pm), the entrance to Loders private car park on Northernhay can be accessed from The Grove and Glyde Path Road.

During working hours (9.30am to 4.30pm) access will only be available from Glyde Path Road.

On leaving Loders car park, all vehicles must turn left onto Glyde Path Road and follow the diversion route.

Charity Christmas cards on sale now

CHARITY Christmas cards are on sale now at West Dorset District Council run tourist information centres on behalf of Cards for Good Causes.

Cards for Good Causes sell charity Christmas cards on behalf of more than 25 national UK charities, including Cancer Research UK, RNLI and SSAFA Forces Help as well as local charities such as the Weldmar Hospicecare Trust.

WDDC Chairman Gillian Summers said: "We are delighted to support such a great cause again this year.

"Shoppers visiting the main towns can buy quality Christmas cards and also support some fantastic local and national charities."

The cards are available at tourist information centres in Dorchester, Bridport and Sherborne.

Watched by the Mayor of Dorchester, Councillor Tess James, and her Consort Roland Tarr, the Lord Lieutenant of Dorset, Valerie Pitt-Rivers, presented awards to those who have collected for many years during the launch of the 2011 Poppy Appeal for the Royal British Legion.

Awards were presented to volunteers who have given five, ten, 15 and 40 years service to the cause.

Presenting the awards and launching the appeal, Mrs Pitt-Rivers said: "I am indeed very honoured to launch this year's Poppy Appeal. These are quite remarkable figures we have heard here today, not just in the amounts collected but in the years of service given by the volunteers.

"Support for our service personnel is needed now as much as ever, and the 150 volunteers you have in Dorchester work together as a tremendous team.

"Poppies mean so much to so many people, a reminder of those who have made the ultimate sacrifice and a show of appreciation for our Armed Services.

"Volunteers are the backbone of our society, and it gives me great pleasure to present awards to just a few of these marvellous people."

Following the ceremony, the Mayor of Dorchester said: "It is very important we remember the enormous sacrifice and commitment made by our service personnel, especially those who have lost their lives or been badly injured whilst serving their country.

"But as well as supporting our service men and women, the British Legion want peace, and as a Quaker I think we need to remember peace is a process we all need to work for, so the occasion for war is reduced."

The Royal British Legion was formed on 15th May 1921. Its aim was, and still is, to help serving and ex-service personnel and their families, not just those who fought in the two World Wars, but also those involved in the many conflicts since 1945 and those still fighting today.

It provides practical care, advice and support to Armed Forces personnel, ex-service men and women of all ages, and their families. And the very first official British Legion Poppy Day was held on 11th November 1921, inspired by the poem In Flanders Fields, written by John McCrae.

This year marks the 90th anniversary of both the Royal British Legion and the Poppy Appeal.

It serves not only to remember those who have made the ultimate sacrifice, but also the undying support it gives to those suffering both terrible mental and physical injuries.

More than nine million people worldwide are eligible for membership of, and support from, the Royal British Legion.

This support extends to all the auxiliary services who have served in the field of conflict, and the welfare section alone spends one and a half million pounds a week on just such support.

The Poppy Appeal is the Royal British Legion's largest source of income. Last year it raised the staggering sum of £36million.

The bar for 2011 has been set at £40million.

Graham Rhys-Jones, co-ordinator for the Poppy Appeal in Dorchester and the Winterbornes, said: "Our challenge for this year is to better the sum raised in 2010 - £25,750.

"We are reliant on our volunteers to help generate this income, some of whom will be recognised here today.

"We are indebted to organisations such as the Royal Naval Association, who take on one whole day of street collections. And volunteers from Poundbury, under the leadership of Michael Greenfield, have proved very fruitful over the past five years."

The following people were recognised at the launch of the Poppy Appeal, although not all were present to receive their awards. One of the most remarkable was Margaret Clarke, a volunteer with 40 years service.

Five Years Service: John King, Jill King, Graham Rhys-Jones, Josephine Kay-Smith, Keith Mullen, Janet Mullen, Vivienne Allan and Michael Greenfield.

Ten Years Service: Ann Dean, Roy Dean, Dennis Matthews, Robert Clothier and Derek Beauchamp.

Fifteen Years Award: Naomi Cooper.

Forty Years Service: Margaret Clarke

Council to mark Armistice Day

The council will also be encouraging staff to wear a poppy as part of The Royal British Legion's Poppy Appeal.

Gillian Summers, Chairman of West Dorset District Council, said: "Our armed forces have made and continue to make tremendous sacrifices serving their country.

"It is very important that we remember them and I am proud that the district council will be encouraging people to mark the silence and support the Poppy Appeal."

Planting a carpet of colour for spring

COWDEN Care Farm gives adults with low to medium level learning disabilities real hands-on work experience.

They work closely with existing services to help develop the individual's work skills, life skills, confidence, and interpersonal skills at a pace to suit the individual.

by Anita Harries

One of the projects they are currently working on is planting bulbs at Dorchester West Station, preparing the way for a carpet of colour in the spring.

Friends of the Dorchester West Station, Wally Gundry, Sue Blake, Barry Tempest, and Geoff Mowlem, joined with adult service users from Cowden Care Farm to plant the many donated tulip and daffodil bulbs, all helping to improve the station and give visitors to the town a warm welcome as they alight from the train.

Chairman of the Friends, Wally Gundry, said: "The people from Cowden Care Farm are very much a part of our community, and should be given every opportunity to become actively involved.

"I would love to see them here more often, helping to keep the station clean, maybe do some more planting and help with tasks such as weeding.

"And to ensure this involvement continues, we are supplying seeds to Cowden Care Farm which they are going to plant and provide us with flowers and plants to further enhance the station next year.

"Dave Martin, station manager for First Great Western fully supports this project, and has offered to help in any way he can.

"And as well as improving the whole aspect of Dorchester West Station, one of our main objectives is to involve the whole community more in doing things both in and for the town."

The first bulb planting session was held in brilliant sunshine, went extremely well, and was enjoyed by all who took part.

Siobhan Davis from Cowden Care Farm said: "It is so wonderful to be out in the community, getting our members involved in projects such as this. It makes them feel valued, as well as the social aspect of meeting people and working together as a team.

"This is a great experience for them and one we very much hope will continue."

Fresh, bright website blooms for Weymouth florist

HAVING been in the flower business for over 25 years, Sarah Standland knew that she needed an attractive, easy to use website that allowed people to see what was on offer and to place orders without any hassle.

After a bad experience with her first website designer, the owner of Pygmalion Florist came to Digibug, (www.digibug.co.uk) where she was overwhelmed by the flexibility and capability of the small team.

"I got exactly the look and feel that I wanted for my website," said Sarah. The site, launched in May this year, includes ecommerce capability which allows customers to order bouquets online.

It is also linked to the florist's Facebook page, where her customers can get up-to-date information about workshops she's running, and exchange comments and opinions. Sarah also makes use of LinkedIn and Twitter, further promoting her business through social media.

Working with Digibug restored Sarah's faith in website designers. Talking of Digibug Director Paul Weeks, she said: "Paul's very approachable, patient and accommodating. He goes out of his way to help."

The Pygmalion Florist website is built using a content management system, allowing Sarah to add new products and pages as she needs them. This lets her grow her site as she grows her business.

You can see the site for yourself at: www.pygmalionflorist.co.uk

Frightening fun for friendship club

A FEARSOME crowd gather around Oliver Letwin, trustee Jenny Shackleford, and Laura Kerr

SOME of the members dressed up for Halloween

THE Junction Hotel in Dorchester was the venue for an evening of spooktacular fun as the Friendship Club held their Halloween celebrations in style, with Oliver Letwin MP popping in to say hello and meet organisers, trustees, volunteers, and club members.

Hard-working Laura Kerr, without whom there would be no Friendship Club, was delighted Mr Letwin found time in his busy schedule to go along and meet everybody.

Food, and fun on the dance floor, was the order of the evening, with monstrous music and deadly dancing keeping everyone on their toes.

Some incredible costumes appeared as if by magic. Witches, ghouls, cats, and even the Grim Reaper were very much in evidence amongst the cobwebs, spiders, skeletons, and ghostly beings that hung from every available space.

by Anita Harries

The Friendship Club know how to party, and staff at the Junction Hotel made them very welcome. Even a costumeless Alistair Chisholm drifted in to haunt the proceedings.

The Friendship Club now has almost 600 adults with a learning disability who attend events in the community.

It is occasions such as this that help them integrate into their community with the help of volunteers, going a long way to tackling problems such as rural and social isolation.

It helps them socialise, make new friends, and form relationships, feel safer when out in the community. and lead more fulfilling lives.

The concerns of these adults have been taken on board, many finding it increasingly hard to organise meeting peer group friends socially and safely in their community.

The club has helped transform lives as members have more readily been able to make friends and develop social skills, boosting their confidence and creating a better quality of life.

The Halloween Party is just one of the many events they enjoy throughout the year. They visit nightclubs, pubs, cinemas, the theatre, cafes, sporting events and festivals, as well as having the opportunity to take part in wellbeing workshops, local history, dance and arts based workshops.

The Friendship Club is always looking for new members.

Anyone with a learning disability will be made very welcome, so if you know of anyone who may benefit from becoming a member and joining in the fun please contact Laura on 07970 240555.

Part of People First Dorset, it is well run, well staffed, and has done a great deal to promote the integration of adults with learning disabilities into the community.

Little monsters enjoy fundraising film party

YOUNGSTERS enjoy the magic show

DANCING to the music of the Krazy Kids

by Anita Harries

MONSTER fun came to the Corn Exchange in Dorchester as Dorchester Moose presented a "Monsters Inc" Children's film party to raise funds for Julia's House, Dorset's only children's hospice.

Princesses, witches, cats, and a whole variety of monsters filled the hall with fun, frolics, and a great deal of noise and laughter as many of the children appeared in fancy dress to enjoy an afternoon of first class entertainment.

Krazy Kev set the wheels in motion with a show of magical mayhem before the children settled down to watch Monsters Inc.

Face painting produced a wealth of tigers, butterflies, and some very scary zombies, a children's tombola saw a variety of furry creatures snatched up by some equally furry kids, whilst a continuous supply of drinks ensured energy supplies were kept at full power.

Possibly two of the most energetic children's performers on the planet, Krazy Kids, danced, sang, clapped, and careered around the room at a rate of knots, a whole army of children in their wake and even the parents couldn't escape.

There was nowhere to hide as they were gently persuaded to join in the singing and dancing, and were even given some sweets as a reward if they behaved.

These guys worked up a real sweat, and the kids loved them.

The afternoon ended with the judging of the fancy dress competition, a task which fell to the Krazy Kids.

First prize went to a rather delightful witch, with vouchers including £20 for yummy Cupcakes by Louise, a £5 Phoenix Trading Voucher for mum, and a cuddly Sully straight out of the film. But no-one was a loser, with everybody receiving sweets and stickers for all their efforts.

And everyone went home with a goodie bag courtesy of Dorchester Moose. More than £280 was raised for Julia's House.

Bluebird Care Opens Weymouth Office

BLUEBIRD Care, the UK's leading provider of care at home, has opened a new office in Lynch Lane, Weymouth.

Bluebird Care Weymouth & West Dorset provide bespoke packages of care in the home to older people or adults with a physical disability in the Weymouth & Portland, West Dorset and Purbeck areas.

Bluebird Care offers everything from personal care to shopping, cleaning or social visits. Bluebird Care works with their customers to form a package of care that enables them to stay within the comfort of their own homes. With visit times ranging from 15 minutes right up to 24-hour live-in care their packages are flexible enough to ensure that each customer receives exactly the care that they require. Staff are caring, police checked and are available to provide care visits within the community.

The Weymouth and West Dorset office is owned and run by the partnership of Joanne McMahon and Chris Scriven who decided to launch their business out of an overriding desire to improve the lives of vulnerable people within the local community. As local people, Joanne and Chris were critically aware of the need for a quality care at home provider to open its doors in the area in order to promote choice for those in need of care.

Director, Chris Scriven, said: "We are delighted to be bringing Bluebird Care's quality care at home provision to the Weymouth area. Research has identified that older people would prefer to remain in their own homes and Bluebird Care provides a flexible and affordable alternative to residential care. Our care manager, Debbie Collinson, has worked hard to assemble a team of dedicated and committed care workers who are anxious to make a real difference to our customers' lives."

Co-Director, Joanne McMahon, said: "At Bluebird Care we are true believers in the value of independence. For us, care at home is about doing things with our customers and not just doing things for them. We aim to attend to every detail to ensure that our customers live their lives as fully as possible."

Bluebird Care are always looking for dedicated carers to join their growing team, if you would like to have a rewarding career and enable people to live life to the full then please contact Debbie Collinson on 01305 230770.

Celebrating Dorset's living memories one last time

by Anita Harries

AFTER two years Age Concern Dorchester's amazing on-line project, Dorset's Living Memories, has come to an end.

Over 400 stories have been collected, touching the lives of more than 1,000 older people, reviving memories, stimulating conversation and creating the most incredible record of life as it was across the county.

The project has produced an on-line archive of stories, memories, and reminiscences of the people who spent their childhood, working life, and even their retirement, in Dorset. It was all made possible through two Silver Surfer Grants and a Dorset POPP Community Win Award, and focussed on the living memories of folk from the rural county of Dorset from the beginning of the 20th century right up to the present day.

The archive has been illustrated with never before seen photographs of the county, its people, and the entire fabric of a past society.

It created an opportunity for ordinary people to tell their personal stories in their own words, and allowed those who no longer live in Dorset to join in and make this a truly outstanding record of the recent social history of Dorset, written not by the historians but by those who lived and worked within its boundaries.

Dorset's Living Memories Roadshow visited 51 residential homes, day centres, sheltered housing complexes, clubs, and town and village communities, gathering memories, listening to stories, and sharing photographs.

Contributors, volunteers, and supporters were invited to celebrate the success of the project at a spoecial afternoon held at Rowan Cottage.

Accompanied by some nostalgic music, there was a slideshow of many of the photographs from the project, and a chance to hear some of the stories collected from across the county.

Entertaining it certainly was, with everything from orange knitted swimming costumes to newspaper squares used as toilet paper and the blessing of the plough at the beginning of every farming year.

One contributor, Sandra Banks, who was a child evacuee in Dorset during the Second World War, came all the way from her home in Swansea to join in the celebrations.

Opening the afternoon's festivities, Age Concern Trustee and project contributor, Adrian Downton, said: "What a wonderful project this has been. Memories are free, they cost nothing and nobody can take them away from you.

"So many fantastic people have done so many fantastic things, and they are all here for everyone to see and become a part of."

PROJECT co-ordinator Margaret Wellspring with Michael and Sandra Banks from Swansea

Joyce Ray and Peggy Voss, two of the main contributors to the project

Margaret Wellspring, co-ordinator for the project, took the opportunity to finally say a big goodbye to both the project and Age Concern, and was thanked for all her hard work by Hilary Foggo who presented her with a card from all her colleagues.

Margaret said: "When we started we had no idea how successful this project would become.

"To gather all the information, our staff and volunteers put on a series of roadshows in residential homes, day centres, and social clubs, telling them all about the project, giving them ideas of what we were looking for and how they could become involved.

"This stimulated older people to reminisce about the old times, share their precious family photographs, and have a jolly good time. Not only did we hold 51 of these roadshows, we engaged these older people in the wonders of modern technology.

"This is a great achievement for a small charity, as our website has reached the far ends of the earth, enquiries about our stories coming from Australia and New Zealand, which in itself is worth celebrating."

As a spin off from this project, a calendar of Dorset's Living Memories was produced and sold more than 200 copies.

A singalong, cup of tea and homemade cake brought the afternoon to an end.

The archive is hosted on Age Concern Dorchester's website, www.ac-dorchester.org/memories

Empowerment fayre success

MEMBERS of the Wallisdown Day Service - Sue, Chev and Duncan

by Anita Harries

DOTCOMUNITY held an "All Inclusive Empowerment Fayre" at the Corn Exchange in Dorchester, bringing a whole host of organisations under one roof to showcase all that is available out there for people of all ages with learning or physical disabilities.

DotComUnity is a not-for-profit social enterprise providing a one stop resource for finding out about community services, care information, and social interactivity for adults and children with a learning or physical disability within their local community.

And there were certainly plenty of organisations on hand with a wealth of help and advice covering every aspect of life.

Diverse Abilities Plus is an independent organisation that works with families to help meet the needs of local people of all ages with physical and learning disabilities, ensuring that those who use their services receive a lifetime of opportunities and support.

Several other organisations come under their umbrella, some of whom were present at the fayre. Coping with Chaos gives the whole family the chance to have fun together. They support families with disabled children by offering play opportunity sessions every weekday of the school holidays, to which siblings are welcome to attend.

They run a youth club for disabled young people between the ages of 13 - 19, supported by their non-disabled peers, both paid staff and volunteers.

They also run a parent befriending network to support parents and carers of disabled children, and provide information, signposting, and monthly coffee mornings and drop ins.

Disbility Wessex offers assistance with disability benefits, not just for those with disabilities, but those with chronic and acute health conditions, families and carers, and parents of disabled children.

Many organisations have so much to offer, as was demonstrated by the countless stands at the Fayre.

Smart Living provide a range of products designed to give people the freedom to live the life they want as independently as possible - at home or when out and about.

Others included Careability, Scope Response, All Inclusive Disability Consultants, the Care Division, Dimensions, and Stepping Stones.

Stepping Stones is for people of 16 or over who live in Dorset (not Poole or Bournemouth) who have a disability or mental health condition. They help them access work preparation courses, work based projects, vocational training, voluntary work, and part time paid employment.

There were also representatives on hand from the Jubilee Sailing Trust, the Friendship Club, Refresh Respite Holidays, Dorset County Council Vocational Services, Cowden Care Farm, the South West Dorset Talking Newspapers for the Blind, and the Wallisdown Day Service.

The Wallisdown Kitchen Project came along with some wonderful refreshments, including rolls, beef pasties, sausage rolls and donuts.

For those looking for a workshop to take part in, 15 Days in Clay offered an insight into their projects (for more information about upcoming workshops visit www.15daysinclay.co.uk) whilst Doodle Art had everyone making witches hats.

Curious Arts run excellent drama workshops for both adults and children with learning disabilities, helping increase confidence and motivation, creating a great deal of fun, and putting on some marvellous shows.

More information on all of the above organisations can be found by visiting www.dotcommunity.co.uk

Birds are a 'big draw' for museum

by Anita Harries

LAUNCHED as a one day event in 2000, the Big Draw is now an annual month-long festival of more than 1,000 events across the United Kingdom.

Throughout October, museums, galleries, libraries, heritage sites, schools and parks take part, inviting people of all ages to discover how drawing can connect them with their surroundings and the wider community.

The Dorset County Museum in Dorchester included the Big Draw as one of its half-term activities, using one of their latest exhibitions - "Cranborne: Art in the Shadow of the Chase" - as its theme.

Those taking part were encouraged to base their drawings on the wildlife of Cranborne Chase, along with some of the many objects found there.

A barn owl, buzzard, fox, and giant pike, part of the museum's vast collection of stuffed animals, were set out for both adults and children to draw, with still life objects such as glass bottles available for that added extra if so required.

Heavy rain outside made the wonderful setting of the Cranborne exhibition for the Big Draw a real option for a couple of hours indoors in the dry, and some very impressive pictures were created.

"Cranborne: Art in the Shadow of the Chase" focuses on a number of artists who have been inspired by Cranborne Chase and its hinterland, an area of more than 300 square miles now designated an area of outstanding natural beauty.

The paintings, drawings, sculpture, and other artwork contained in this exhibition have come from many sources and date from the 1920s to the present day.

Artists featured include John Craxton, Lucian Freud, and John Hubbard, sculptor Elisabeth Frink, potters Richard Batterham and Chris Carter, plus other artists working with glass and textiles.

This is a sales exhibition, running until 21st January 2012, and a selection of the works are for sale to the public.

This is yet another stunning exhibition, and with the Big Draw held within its confines, was a guiding influence on those taking part, surrounded by images of perhaps one of the most beautiful areas of the Dorset countryside.

DURING NOVEMBER each year, Movember is responsible for the sprouting of moustaches on thousands of men's faces in the UK and around the world. The aim of which is to raise vital funds and awareness for men's health, specifically prostate cancer and other cancers that affect men.

On November 1st, guys register at Movember.com with a clean-shaven face and then for the rest of the month, these selfless and generous men, known as Mo Bros, groom, trim and wax their way into the annals of fine moustachery. Supported by the women in their lives, Mo Sistas, Movember Mo Bros raise funds by seeking out sponsorship for their Mo-growing efforts.

Mo Bros effectively become walking, talking billboards for the 30 days of November and through their actions and words raise awareness by prompting private and public conversation around the often ignored issue of men's health.

At the end of the month, Mo Bros and Mo Sistas celebrate their gallantry and valor by either throwing their own Movember party or attending one of the infamous Gala Partés held around the world by Movember, for Movember.

The Movember Effect: Awareness & Education, Survivorship, Research

The funds raised in the UK support the number one and two male specific cancers - prostate and testicular cancer. The funds raised are directed to programmes run directly by Movember and our men's health partners, The Prostate Cancer Charity and the Institute of Cancer Research. Together, these channels work together to ensure that Movember funds are supporting a broad range of innovative, world-class programmes in line with our strategic goals in the areas of awareness and education, survivorship and research.

Movember (the month formerly known as November) is a moustache growing charity event held during November each year that raises funds and awareness for prostate cancer. Visit www.movember.com for full details.

GENERAL RULES FOR MO GROWING

These rules are for all Mo Bros to abide. Breaking of these rules consitutes disqualification from official entry and judging for the 'Man or Movember' at the Mo Party.

1. Once registered at movember.com, each Mo Bro must begin with a clean shaven face.
2. Then, for the entire month of Movember each Mo Bro must grow and groom a moustache.
3. There is no joining a the sideburns, this is a beard.
4. There is no joining of the handlebars to your chin, this is a goatee.
5. Each Mo Bro must conduct himself like that of a true gentlemen.

HOW TO GROW A MOUSTACHE

1. Ask yourself the question, who do you want to be? For every style of moustache there is a different personality. You will be become that man, you will be treated like that man and you will act like that man. Make sure you know who he is.
2. Be brave. The first few days, even weeks can be uncomfortable and a little awkward as your face goodness grows and your Mo takes shape. Focus on the end game.
3. Ignore the itching. Remind yourself that other men have endured far worse in the past; surely you can stand a little face tickle from your Mo.
4. Start to shape your moustache using proper grooming techniques. A great Mo comes down to grooming.

HOW TO GROOM YOUR MOUSTACHE

1. Shampoo regularly. As becoming as they are, moustaches collect thing and no matter how fine the food, it doesn't belong in your Mo.
2. Moustache hair is coarse and benefites from regular conditioning. Massage your Mo with a dollop of conditioner then rinse thoroughly. It will make it softer to touch to both you and your intimate friends.
3. Use hot face washer to steam and cleanse the skin under your moustache that can suffer form drying and itching. For the modern gentleman, out of sight does not mean out of mind.

NOTABLE GENTLEMEN WITH MOUSTACHES

1. Tom Selleck.
2. Frank Zappa.
3. Lionel Richie.
4. Freddy Mercury.
5. Salvador Dali.
6. Albert Einstein.
7. Charlie Chaplin.
8. Burt Reynolds.
9. Ian Botham.
10. You, the modern gentlemen.

Mo Rogues!

Last year the men of the View From office got involved and grew moustaches for Movember - Prostate Cancer Awareness. Why not raise some money with your colleagues or friends this year and grow your moustache for charity!

Celebrating Dorchester's cultural diversity

High Sheriff of Dorset, Alan Frost, with Anne-Marie Vincent, organisers and volunteers of Black History Month in the Corn Exchange

by Anita Harries

BLACK History Month is an annual celebration of black history and cultural heritage across America and the UK.

It serves to promote the study and remembrance of positive black contributions to society throughout history, educate people about our diverse society, and bring people of all backgrounds together to celebrate and appreciate all aspects of black history.

Since the first formally organised occasion on October 1st 1987, Black History Month has grown and grown, now consisting of more than 4,000 events across the country.

As part of these celebrations, the South West Dorset Multi Cultural Network organised a free family evening of poetry, dance and live music, with some delicious Caribean food from Tony's Cafe, all highlighting cultural diversity in the Dorset community.

This unique event was supported by Magna Housing Association, West Dorset District Council, NHS Dorset and the NHS Foundation Trust, and chairman of the Network, Anne Marie Vincent, thanked them for their invaluable contribution in her opening remarks.

She also read a statement from Vaughan Gething, a member of the National Assembly of Wales who was unable to attend but pledged his support for such a worthwhile cause.

Vaughan was chair of the Right to Vote from 1999 - 2001, a cross party project with the aim of encouraging greater participation from black minority ethnic communities in Welsh public life.

Black History Month was attended by Alan Frost, the High Sheriff of Dorset, Director of Magna Housing David Aldwinckle, West Dorset District Councillor Janet Page, and Kate Hindson, Director of Communities for West Dorset and Weymouth and Portland Borough Council.

There were displays and information boards from Weymouth College, Fairtrade, the Thomas Fowell Buxton Society, the Purple Teardrop Campaign, and the South West Multi Cultural Network.

Schools in the area had been invited to enter a creative art and writing competition, with entries also on display.

Emma Scott of West Dorset District Council said: "The theme of this year's competition was based on exploring our links to the wider world and welcoming visitors from around the globe as we move towards the 2012 Olympics.

"We are looking to find as many opportunities as possible for the winners work to be displayed and shared over the next ten months."

Entertainment during the evening was wide and varied. There was an interesting talk on Thomas Fowell Buxton, one of Weymouth's more illustrious MPs. Following on from William Wilberforce, he achieved the abolition of slavery throughout the British Empire in 1833, also working for changes in prison conditions and criminal law.

Bristol poet and storyteller Edson Burton recited some of his own work, the stunning Zubida Movements gave a display of dance, and there was the opportunity to get up and Zumba with Ally.

An exclusive appearance by the up-and-coming, and very talented, rap artist Liryc was topped only by the event's headline act.

Gregg Kofi Brown and the Osibisa Collective took to the stage to bring the evening to a close. Gregg has been a member of the world class African pioneers Osibisa for more than 22 years, and has travelled the world promoting the music of Ghana.

As a musician and singer he has also worked with musical legends Isaac Hayes, Sting, Bomb the Bass and Finley Quayle. This was a superb ending to an equally superb evening of celebration.

Christmas Parties...

Worried about what to wear to your work Christmas meal?

OH NO, it's the work's Christmas party coming round again and the stressing about what to wear has started already. This anticipated event needn't be such a headache as long as you follow a few tried and tested rules.

A little clichéd but always a safe bet is the little black dress. Pick a high-necked one if you are flat chested and a scoop or V-neck if you have a larger bust. Make sure the length of your dress is just below the knee, add some pretty jewellery to show your personality, and you have an outfit that will be great for most work gatherings.

It may be obvious but if you are having a sit down meal, make sure that your neckline is not so low that anyone standing behind you can see all the way down. If you are unsure, a little camisole top underneath your dress can save any embarrassment.

Even if you know the dress code has been described as 'casual', this still does not mean jeans and trainers. It is always worth asking a couple of your work colleagues who always dress well in the office what sort of outfit they will be wearing. This can give you an idea how smart you need to be.

This is your chance to get to know your work colleagues and impress your boss. So eat, drink (but not too much!) and be merry.

To advertise your Christmas Menu please call Rob on 01297 446146 or email rob.coombe@pemedia.co.uk for more information

Chris Rudge Renewable Power Systems

CHRIS Rudge Renewable Power have expanded their range of green generation products to keep up with the ever increasing demands of their customers. As well as keeping REC, Sanyo, Kyocera and Suntech Solar PV modules as current stock at the Seaton warehouse, they have now obtained MCS approval for Small Wind Turbines (up to25kW) and Solar Thermal, offering expert site surveys and design

New lower Solar PV installation costs for 2011 have proved to be popular, especially as this is last year the Feed in Tariff (FiT) will be at the current higher rate. From next April, the FiT will be going down for new installations. Anyone having an installation this year will benefit from the current index linked payment for the next 24 years.

Solar PV systems can now be fully installed from around £6830 for a 2.2kWp system and £12,080 for a 3.84kWp, and all systems now come with full insurance backed 10 warranties as standard.

Chris Rudge Renewable Power Ltd also specialise in self contained 'off grid' battery systems for sites that do not have a mains grid connection. These systems are tailor made for each installation, from a remote shed to a complete house or business installation.

For any Renewable Energy requirements you may have, call Chris Rudge Renewable Power on 01297 306114 or go to the website at www.chrisrudge.co.uk

DORSET'S own award winning Ace Energy are the leading suppliers of solar power. Recently they have installed solar at a number of homes within Dorset. With the average electricity bill being around £600 yearly, installing solar on your roof can reduce that bill by up to 50% and provide home owners and landlords with a healthy profit. This is due to the Feed-In Tariff scheme which pays premium rates for power generated from solar power - Dorset households on the scheme are now earning over £850 every year. The tax free, inflation-proof payouts are designed to protect the UK from ever-rising energy prices and help lower carbon emissions. You may have noticed an increase in the amount of roofs proudly showing off their solar panels recently and according to Alan Seviour, Ace Energy's MD, solar has never been more popular.

With interest rates at an all time low investment savvy householders are looking for alternative ways to earn money and solar power offers just that.

Ace Energy are registered with the Microgeneration Certification Scheme (MCS) For a free survey and quotation please call 01747 858852 or 01202 816019 or visit www.ace-energy.net

Savers continue to suffer under low interest rates

With continuing low interest rates, many people who rely on their savings and investments to top up their income have continued to be disappointed with returns. Deposit based savings such as bank and building society accounts and cash ISA's offer a guarantee that your capital amount does not decrease but at what risk? What will the buying power of that money be and is your money devaluing every day that it remains there?

The most important consideration when looking and savings or investments of any kind is diversification, not having all your eggs in one basket and not only avoid holding all you monies in one account but also ensuring that you have a range of assets within your portfolio to ensure exposure to different areas as well as an element of stability though assets with underlying guarantees which can be achieved in a number of ways. The banks are under increasing pressure to make profits , so now more than ever is the time to ensure that you get advice based on what's best for you.

Alison Theobald of Pennywise Independent Financial Advisers can explore all options from across the whole market and has huge numbers of products to choose from depending on attitude to risk right through from basic investment solutions to more advanced bespoke investment management packages.

Folk icon Julie Felix comes to Bridport

FOLK icon ***Julie Felix*** will perform at Bridport's Electric Palace on Friday, December 2nd. With her striking looks and with the phenomenal energy that she exudes on stage it's hard to believe that Julie was born in 1939.

Julie left her home in California in the early 60s, hitch-hiking throughout Europe with just a duffle bag and her guitar. After living on a Greek island where she met and performed with another newcomer by the name of Leonard Cohen, Julie arrived in England in 1964. Within a few months she became the first solo folk artist to be signed to a major British record company when Decca released her first album, *Julie Felix*, and a single, *Someday Soon*. That same year Julie appeared on The Eamonn Andrews TV show, and was asked back the following week by popular demand.

In 1965 she headlined the Royal Albert Hall, becoming the first British-based folk singer to fill London's top venue, prompting *The Times* to declare her "Britain's first lady of folk" In 1966 Julie became the resident singer on the amazingly popular TV show The Frost Report, quickly becoming a household name.

Brian Epstein, The Beatles manager, booked Julie in 1967 to top the bill with Georgie Fame for a two week engagement at London's Saville Theatre, supported by a newcomer named Cat Stevens. In 1968 she was given her own TV series - the first colour series produced by the BBC. Guests included Leonard Cohen, Jimmy Page, Donovan, Dusty Springfield, Spike Milligan and Richard Harris. Her late 1960s recordings included Going to the Zoo, a collection of children's songs on Fontana Records.

In 1970 her series was moved from BBC2 to BBC1, and Julie was signed by hit-maker Mickie Most, becoming the first artist to have a hit on the RAK label with her version of Paul Simon's If Could '(El Condor Pasa). In 1974 Julie signed with the EMI label and recorded the album Lightning, touring Japan, Australia and New Zealand. In the late 70's she moved to Norway where the title track of her 1976 album Hot Chocolata went to number one in the singles chart.

During her long career Julie Felix has sung out for many causes. She has visited the Middle East as a humanitarian ambassador for Christian Aid, urged New Zealanders not to engage in conscription at a concert during the Vietnam War, campaigned for Latin American refugees, founded Guitars Against Landmines, and marched against the Iraq War in London.

In 2008 Julie celebrated her 70th birthday playing a sold out gig at Gateshead's Sage Theatre. The following year Julie sold out the prestigious Cork Folk Festival, along with every other date on her Irish tour. In 2011 Julie returned to play The Isle Of Wight Festival her performance was every bit as dynamic as her appearance 42 years earlier at the 1969 Isle Of Wight Festival

After nearly half a century of making phenomenal music nothing's changed, she's still brimming with energy on stage and off, with her performances exuding the pure joy of music. The show starts at 8pm, with doors opening at 7pm. Tickets for Julie's show at the Electric Palace are available from Bridport Music (01308) 425707 or Bridport TIC (01308) 424901, or online from www.stompinstore.com as Stompin' Dave has organised this event. Dave is performing at the Electric Palace on Wednesday 16th November with Appalachian Roots from North Carolina, USA.

A night of shimmying and sparkle from the Arabian nights

JUNO bellydancers are presenting their third annual show at Weymouth College's Drama Theatre on Saturday, November 19th.

The show, called 'A Medley of Middle Eastern Dance', features the local dance troupe plus a number of dancers from across the South and South West.

Michelle Moss, Juno teacher said: "We've had a very busy summer supporting fetes, festivals and charities. We hope that people who enjoyed our performances will come along to our show. This year we are raising money for Exeter House Special School in Salisbury. There is a little boy that we know, who goes to this school. We have performed at his birthday party and he enjoys the movement and sound of our dances."

She continues: "The evening will be fun, with lots of different styles of Arabic dance from some of our favourite dancers."

Tickets are £8 for adults and £5 for children and are available from Sproston & Bowden Opticians, High West St Dorchester and So'n'Sews, 24 Westham Rd, Weymouth. For more details or to order tickets visit www.junobellydance.co.uk.

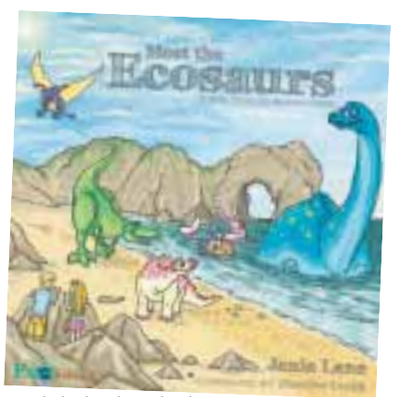
There will also be workshops during the morning in the dance studio at Weymouth College.

Library launch for Jurassic Coast dino book!

Local author to sign copies of illustrated children's story

MEET THE ECOSAURS, a new illustrated children's book by local author Janis Lane, launches this Saturday, November 5th, from 10am-12pm at Lyme Regis Library.

Janis will be signing copies of the book, available at the special launch price of £5 for the event. In addition, children will have the opportunity to take part in and take home a 'create your own timeline' activity, with community art teacher Alison Bowskill.



Meet the Ecosaurs is a beautifully realised story, which introduces local Jurassic Coast dinosaurs and other creatures. Written by Lyme resident Janis Lane with charming illustrations by Somerset-based Jennifer Crabb, the book uses historically accurate information as a backdrop for a fantastic storyline, which will thrill, fascinate and educate children in equal measure.

Endorsed by the Jurassic Coast World Heritage Team, the book follows brother and sister James and Tabitha as they meet a group of ecologically minded Jurassic Coast creatures that have travelled through time and space to help their homeland.

In addition to the story, the book features Fact Files, a Make Your Own Timeline activity, and a recipe for a Jurassic Coast Layer Cake (created with input from celebrated chef and food writer Mark Hix) – representing the geological layers revealed along the cliffs of the Jurassic Coast.

"This is a welcome addition to help children learn about why the Jurassic Coast is special. The scientific and geological facts are accurate and this lends a strong learning focus as well as a literacy element," says Dr AK Ford, Jurassic Coast Education Coordinator.

Mark Hix on the Jurassic Coast Layer Cake recipe: "This is a fantastic cake that you can have lots of fun with at home with the kids. It's a great festive cake for all celebration and has that creative educational touch to it. Have fun!"

Poetry for Pleasure

by Frank McGarry

THIS poem was written by Mary Voice, a girl from the State of Victoria in Australia, who was visiting Lyme Regis in September.

JURASSIC LYME

Go find a fossil, find an ammonite
Go find one filled with pyrites, we might
Go find it glinting after rain, now sun
Just right for amateurs to chance on one.

Go walk the coastline, see those shaly cliffs
Imagine slippage, by the tonnage down
Go see the Jurassic layers, shapes and rifts
See why the fascination and renown.

Go find a fossil see children's faces shine
When Paul the guide in fossil hunting gear
Cracks limestone slabs to see what might appear
A brief suspense as steel on lime align.

Go find a fossil. Wow! And there it is
A creamy yellow spiral cradled in the grey
The wonder on the faces of those kids
Fossil hunting is the highlight of the day.

Chidiock Tichborne was only in his twenties in 1586 when he was executed in the Tower of London for plotting to kill Queen Elizabeth. The day before his death he sent this poem in a letter to his wife, Agnes.

ELEGY

My prime of youth is but a frost of cares,
My feast of joy is but a dish of pain,
My crop of corn is but a field of tares,
And all my good is but vain hope of gain;
The day is past, and yet I saw no sun,
And now I live, and now my life is done.

My tale was heard and yet it was not told,
My fruit is fallen and yet my leaves are green,
My youth is spent and yet I am not old,
I saw the world and yet I was not seen;
My thread is cut and yet it is not spun,
And now I live, and now my life is done.

I sought my death and found it in my womb,
I looked for life and saw it was a shade,
I trod the earth and knew it was my tomb,
And now I die, and now I was but made:
My glass is full, and now my glass is run,
And now I live, and now my life is done.

Another man who wrote a poem just before his death was the war poet William Noel Hodgson, who served in the Devonshire Regiment and was awarded the Military Cross. He was killed in 1916 on the first day of the Battle of the Somme. Two days before he died he wrote this.

BEFORE ACTION

By all the glories of the day,
And the cool evening's benison,
By that last sunset touch that lay,
Upon the hills when day was done,
By beauty lavishly outpoured,
And blessings carelessly received,
By all the days that I have lived,
Make me a soldier, Lord.

By all of man's hopes and fears,
And all the wonders poets sing,
The laughter of unclouded years,
And every sad and lovely thing;
By the romantic ages stored
With high endeavour that was his,
By all his mad catastrophes
Make me a man, O Lord.

I, that on my unfamiliar hill
Saw with uncomprehending eyes
A hundred of thy sunsets spill
Their fresh and sanguine sacrifice,
Ere the sun swings his noonday sword
Must say good-bye to all of this;-
By all delights that I shall miss,
Help me to die, O Lord.

Halls Commercial

Local specialists in commercial and business insurance

BUSINESS Insurance specialist Scott Hall created Hall Commercial after having identified the need for a local specialist in commercial and business insurance. He leaves private car, single-trip travel and pet insurance to others and concentrates his 15+ years of experience in doing what he knows best - helping business to buy the right insurance.

Scott has been asked to review insurance portfolios for many businesses in the area, from Tradesmen to Factories and Shops to Warehouses. Tailor-made policies come from a carefully selected panel of insurance providers, many of whom can only be accessed through insurance brokers. You won't find those insurance providers on any comparison web sites, because they know that arranging business insurance requires local knowledge, expertise and professional advice - the kind you get from Hall Commercial.

Scott can also help with home and property insurance, especially the larger or more "difficult" risks. Thatched, let, unoccupied, holiday homes, high value, just a few of the types of policy which may be arranged.

Claims, however large or small, can be a serious disruption to business and Scott takes charge of them personally. He will do all he can to expedite procedures and bring about a speedy and satisfactory conclusion. Scott has a totally hands-on approach to customer service.

In addition to his 15+ years experience in Insurance negotiation, Scott is a qualified member of the Chartered Insurance Institute and a member of The British Insurance Brokers Association. He understands what it means to own and run a business and is therefore also a member of the Federation of Small Businesses.

The Hall Commercial web-site is a mine of information, and if you are starting a business or renewing your policies, Hall Commercial is the name to put in your diary, or you can ring Scott Hall direct on 01460 76810.

JCH Data Care

Simple, automatic data backup system for your PCs

JCH DataCare is a new business started by Christopher and Jo Hall, serving the South West and Wirral providing a simple, automatic data backup system for all your home and small business PCs.

We decided to create the business after realising that; whilst a large percentage of people now have a computer, we don't think about all the precious information kept on them and what we would do if we lost all or some of that information; whether through a hardware or software failure or through theft or loss. It's not just the data files and pictures etc., but all the software and the gadgets we download but never have a hard copy of, that if we lost we would have to spend hours and hours trawling through the internet and downloading again (that's if we can find them!) to get back to where we were before the problem. Not to mention all the e-mails, internet favourites, and all those passwords and user names your computer remembers for you.

Whilst researching the market, we also discovered that; although there is a really simple and cheap system to protect all your computers; nobody was promoting it! Microsoft have produced a piece of software called Windows HomeServer 2011 which takes a complete image of your computer, and when incorporated into our JCH systems, will quietly sit in a corner of your home or small business and look after up to TEN computers linked to it. It will also give you extra storage that all ten PCs can access if they are short on space; these shares can also be accessed from anywhere in the world via the internet! It gives you the services of Cloud storage but you know that you have complete control over the information as it's YOUR CLOUD in YOUR home or business!

There are other companies supplying units with WHS 2011 installed but most only offer a single hard drive as standard. This means they are not using the software to it's best potential as WHS 2011 gives the added security of mirrored or RAID drives when using two or more drives which are a standard with JCH DataCare's range. So, if you want the peace of mind in knowing that; no matter what happens to your computer; you can get it all back, just the way it was, in a matter of hours; you need a JCH DataCare HomeServer.

Stokes Partnership

Growth despite recession

BRENDAN Pang, Partner and Head of Commercial Services at Stokes Partners LLP says that the answer lies in sustained investment in technology and key personnel.

From the very outset, the firm has invested unstintingly in the latest technology whether it is a phone system or dual screens at each workstation. After staff wages, I.T. represents one of the firm's largest areas of spend. It is now looking with its consultants at cloud technology as part of its disaster recovery plan.

Cutting edge technology and applications to meet client's bespoke requirements has allowed the firm to work with large national organisations such as the Coventry Building Society.

To meet the challenges facing the legal profession in particular, the firm has recently restructured into two separate brands, Fasttrac Solicitors Limited and the core legal business as Stokes Partners LLP.

As a Limited Liability Partnership, the firm is able to recruit talented and ambitious young lawyers from city and regional firms.

It recently succeeded in recruiting Helen Williams, an Associate from a large Exeter practice. Helen specialises in property litigation and joins the Commercial Services team.

The Commercial Services team provides a seamless service to business clients from employment contracts, business disputes to sale and acquisition of businesses.

The firm has a particularly strong reputation for property related dispute resolution, acting for numerous regional and national clients. It frequently deals with heavyweight litigation, punching above its weight against lawyers from the large City firms.

The firm is recommended in The Legal 500 for the South West in the areas of Commercial Property (Robert Wright), Family (David Stokes) and Dispute Resolution/Commercial Services (Brendan Pang).

Another premises for Landrover 4 U!

LANDROVER4U LTD have been operating their independent 4x4 service and sales business in Honiton from the Heathpark Industrial Estate for over ten years . Directors Kevin Jones & Nick Austin have been considering expanding the business for a while now and when the opportunity arose to take over a main-road site they grabbed it. Despite the difficult economic environment Kevin & Nick are confident the higher profile site will bring in more business and with the large number of 4x4s in the area and the very high labour rates charged by franchised dealers they feel that there is a place for their offering. Expanding the business means more staff and three new jobs have been created by the move. The new, much larger, premises at Shute Garage on the A35 between Kilmington and Wilmington are easy to find and from here Landrover4U will be providing MOTs, general servicing and repairs for all vehicles but specialising in Land Rovers and 4x4s. Landrover4U are also franchised dealers for the Polaris range of ATVs which they sell and service. There will be a large selection of Land Rovers and other 4x4s for sale and the garage will be open seven days a week. The move is underway and the new premises will be fully operational by the latter part of November 2011.

To book your vehicle in or enquire about a vehicle for sale call 01404 831907.

When it comes to servicing and repairing your Mercedes-Benz at an independent garage, can you be sure you're not paying more than you need to?

At Mercedes-Benz of Dorchester's Official Workshop, we'll tell you the price of any work that's needed and how long it'll take before we begin, so you'll know exactly where you stand.

Furthermore, all our Genuine Parts come with a comprehensive two-year guarantee and include the labour cost of fitting them, meaning that when you drive away, you'll feel reassured that if something goes wrong, we'll be on hand to help. That's why it pays to see the experts.

And at the moment, this is especially true. If you present the voucher below when bringing your car in to us, we'll give you £50 off the labour cost for any servicing or repair work we carry out.

To find out more, contact us today on 01305 264 494.

WHY HAS THE ANSWERS FOR CHICKENS

Linaker goal sees Portland United back up to top spot

PREMIER LEAGUE

THE top-of-the-table clash at Portland was decided by an Adam Linaker goal which proved too much for reigning Champions Hamworthy Recreation.

There was a similar scoreline at Holt United with a Simon Edwards goal seeing off Cranborne.

Down at the bottom goals from Shane Sheridan, Adam Ansty and Charlie Taylor lifted Weymouth Reserves out of the bottom three following a 3-1 win at Merley Cobham.

Star of the day was Josh Why who struck four times in Chickerell United' 5-3 win at Poole Borough. Warren White bagged the Chickens' other goal.

Paul Best (2), Liam Currell and Jacob Harrop scored the goals as Swanage & Herston thrashed Shaftesbury 5-0.

Westlands Sports remain well placed in third despite being held to a 3-3 draw at Blandford United.

Sam Jarman (2) and Marc Cains scored for Sports with Mark Ford (2) and Justin Hall on target for the Royals.

The all-Somerset clash between Wincanton Town and Tintinhull ended goal less.

Honours were even at Sturminster Marshall too where Darrell Williams netted for the hosts against Hamworthy United Reserves. Jordan Basing scored for the Hammers.

LEAGUE TOP SCORERS

Sam Jarman (Westlands Sports), Chris Payne (Holt United) both 14, Mark Ford (Blandford United (13).

SENIOR LEAGUE

WAREHAM Rangers remain three points clear after 2-1 win at Weymouth Sports thanks to goals from David Best (pen) and Simon Lander. Robbie Rolls bagged the Sports consolation.

Portland United moved up into second spot following their 2-0 victory at struggling Piddletrenthide United.

Upwey and Broadwey moved up into the top three after their 5-3 win at Kingston Lacy. Simon Dyer (2) and Alex Pettit netted the hosts' consolations.

Sturminster Newton stay in fifth place despite sharing two goals and the points in a 1-1 draw at Stourpaine with the host's goal coming from Mark Fraser.

The only home victory came at Bishops Caundle where Liam Costello and Nick Elsworth scored in a 2-0 win over Blandford.

Okeford United thrashed Gillingham 6-1 on their own turf. Marc Doble hit four and Luke Turk and Matthew Jordan chipped-in with singles.

A Liam Coles goal couldn't save Chickerell United from a 2-1 home defeat at the hands of Witchampton.

DIVISION ONE

STUART Dominey (pen), Jordan Coles and Matt Chant scored the goals as Mere Town maintained their five point lead at the top of the table after a 3-0 home victory over The Ship Inn, Wool.

Hard on their heels are Westland Sports who had a 9-0 victory against Swanage Town & Herston. Leo Hayward (5), Ian Harris (3) and Danny Call scored for the hosts.

Granby Rovers stay in third place after Marcus Simpson scored twice in the 2-0 win over they defeated Poundbury Rovers.

Meanwhile a Jamie Butler couldn't save Dorchester Town Reserves from a 2-1 home defeat at the hands of Poole Borough.

Bere Regis hoisted themselves into the top five with a 6-1 victory against Wincanton Town with their goals coming from Aaron Scott (2), John Sanders, Jack Watson, Matt Elford and Dale Wright.

Kangaroos went down 3-2 at home to Merley Cobham. Carl Lewis and Steve Wilson scored the hosts' consolations.

It was a good day for Dorchester Borough who netted their first three-point haul after a 1-0 win over fellow stugglers Shaftesbury.

DIVISION TWO

CORFE MULLEN and 11th Signal Regiment's title aspirations were both dented at the weekend.

Corfe were held to a goal less draw at Gillington but stay top. The Signals went down 3-2 at Bridport 3rds who leap-frogged their opponents into second place.

A 2-1 win at Sturminster Newton United means Weymouth Spartans are still very much in the hunt for a promotion spot.

Wyke Regis SC had a day to forget as they were crushed 10-2 on their own turf by Milborne Sports.

Goals from Gary Harbey, Danny Dancer and Andy Nott proved too hot for Corfe Castle who went down 3-1 at The Balti House. Sammy Dellou scored for Corfe.

DIVISION THREE

AFC Cobham eased three points clear at the top after a 4-2 win at Portesham. Chris Birch scored both for the Ports.

Piddlehinton United moved back into the top two after they defeated Galaxy 3-0 with goals from Ben Jeanes (2) and Nick Hansford (pen).

DIVISION FOUR

Weymouth Spartans moved up into second place after a 3-3 draw at Galaxy. On target for the Spartans were; Lee Whisselle (2) and Elliott Gould.

Bishops Caundle moved off the foot of the table following their 3-0 victory at Owermoigne who slip down to third place as a result.

Fourth placed Littlemoor could only bag a point from their home game with Swanage Town & Herston. Daniel Pavey, Shane Lock and Kieron Ralston scored in the 3-3 draw.

Meanwhile mid-tablers Stalbridge and Poundbury Rovers played out a goal less draw.

DIVISION FIVE

Broadstone moved up a place to fourth with a 7-1 victory over Handley Sports with their strikes coming from Luke Gee (3), Steve Davies, Jamie Yeo, Silawosz Samedzade and an own goal.

Marnhull stay in sixth place after their 5-4 win against Dorchester Community Church. Luke Perry (3) and Will Stevens (2) scored for the hosts with Roger Frapwell (2), Matthew Cracknell and Chris Irons replying.

Not the best week!

BY local trainer Bob Buckler's record this season, this last week has not been his best writes Stuart Broom.

Mister Matt *found the ground too soft for him at Chepstow in the digibet.com Handicap Chase over two miles following heavy rain on the day including the race, and as a result after travelling well early on found the ground too much and he finished at the back of the field.*

"It was a disappointing finish to a long season that has seen him win a couple of races and been placed another seven times.

"He needs firm ground and the heavy rain on the day made the ground much too soft for him," said Buckler, who confirmed the horse will now take his winter's break.

Ballygulleen *has been retired from racing following the Sussex Equine Dentistry Handicap Chase over 3¼ miles at Fontwell when he refused at the second last when in second place.*

Buckler explained: "He is a real monkey, and I felt sorry for jockey Andrew Glassonbury as soon as the winner Wherrimon pulled away from them, leaving them to race on their own, as I knew he would refuse to continue on his own.

"There is nothing you can do about it unfortunately. He has ability, having won a couple of races in his career, but he has this problem of racing on his own.

"He obviously is not in love with racing and will be leaving the yard to go hunting or point-to-point."

Buckler was initially very disappointed with his other runner ***Quix*** *in the Cushman & Wakefield Novices' Hurdle over two miles at Ascot on Saturday. He jumped badly from the outset and was finally tailed off to finish fifth.*

"I know he can be a quirky character, but I couldn't understand at the time why he had jumped so badly and didn't appear to try.

"It was only the next morning when he could hardly move, and it appears that maybe he has torn some muscles high up in his back which was why he ran as he did. Although he has improved slightly he is obviously very sore, and the physio will be looking at him to check him out."

Champagne Rosie *was due her first run of the season at Exeter on Tuesday in a highly competitive race whilst Saint Peray was due to go on the same card.* ***Small Fly*** *is expected to run at Chepstow on Wednesday, and providing he is not balloted out,* ***Baron Sutton*** *will make his racing debut at Wincanton on Saturday.*

Stable jockey Nathan Sweeney rode out for the first time on Monday after breaking his leg in a fall aboard Ethiopia in July, and hopes that an x-ray in two weeks time will see him back in the saddle in the not too distant future.

Bolt to follow in Dan's footsteps

A BRIDPORT man is set to leave Usain Bolt, the fastest man on earth still in his blocks when he competes in The National Lottery Olympic Park Run next year.

Daniel Broom has won the opportunity of a lifetime by being among the first to run in the Olympic Stadium, the centrepiece of the London 2012 Olympic and Paralympic Games, when he takes part in the race on March 31st.

Daniel has been selected as one of just 5,000 people to take part in the five mile run through the Olympic Park which will pass iconic world-class venues like the Velodrome and Aquatics Centre before culminating in the first public access to the Olympic Stadium.

Those participating on the day will be the first people to cross the Olympic finish line in an official race.

Thirty-four-year-old Daniel learned last Friday that he was one of those successfully chosen by ballot from the thousands who entered the National Lottery on-line competition, and is looking forward to the experience which gives each runner the opportunity to be part of sporting history.

Each runner will also receive two spectator passes which will allow them entrance to the stadium to soak up the atmosphere and cheer him home as he crosses the finishing line.

There will also be a host of past and present Olympic and Paralympic stars present, both participating and offering support to the runners.

Daniel who ran the 10 mile Great South Run on Sunday said: "The confirmation came out of the blue, but it is a fantastic opportunity to not only run through the Olympic Park and view the magnificent stadia, but to finish in the Olympic Stadium and cross the finishing line is really something you can only dream about."

The 2012 Olympic Games runs from July 27th until August 12th and the Paralympic Games between August 29th and September 9th.

■ **OPPORTUNITY OF A LIFETIME:** Daniel Broom, pictured running in last year's Great South Run, who will be one of the first to cross the Olympic finishing line.

Sporting brains put to the test

IT'S THAT time of year once again when some of the most knowledgeable sports quiz experts in Dorset sit and ponder as they contest the prestigious Clinker Shield to be held at the Symene Sports Club on Sunday November 20th.

The event, now in its 28th year is one of the most coveted titles of it's kind, and is keenly sought after. Last year's champion's Beaminster Social Club will be defending the title once again, and having won it for the last three years, there will be plenty looking to flush them down the toilet and wipe the smiles off their faces.

However it will be a tough ask as Nigel Walters, Rodney Crabb and his son Sam are an excellent combination.

Nick Skyrme is once again the question master for the third year running, and with the event starts promptly at 7.15pm, teams are asked to arrive in good time to ensure the smooth running of the event.

The following teams have been invited to this excellent night of fun: Bradpole Club, The Mystics, Chelsea Savages, Bridport Rugby Club, SamEd + 1, Jack Tars Trio, Snorklers, Chideock Vets, Bridport Football Club, Melplash Cricket, Wattig Winkers, Broom's Bald Eagles, BriPhilPinkey, Bridport Golf Club, Balsy's Bangers, Beaminster Social Club, Mac's Masterminds.

Rivers too strong!

Bridport Indoor Bowls - *with Brian Baker*

BRIDPORT Men's team returned to Wessex League action and took a pasting from the leading Five Rivers (Salisbury) side losing 113-49 overall.

Max Dare, Keith Brooks, Brian Morgan and Ken Enticott were in contention until the end but lost 19-22. Arthur Stone, Bernard Winton, Bob Taylor and Ivor Parker found themselves up against a crack rink of youngsters and took a 9-27 beating.

At Salisbury Dave Roberts, Derek Harp, Brian Iversen and Bill Payne were having aliving nightmare as they went 0-26 down after ten ends, but they never gave up. Indeed, over the last 11 ends were only out scored 9-11 to give a final 9-37 scoreline. Chris Thorne, Brian Walsh, Brian Conisbee and Brian Rumble went down 12-27.

Joan Griffiths, Beryl Stork, Mary Marsh and Janet Tattershall secured two points for the C team in the County League with a 25-16 win over Dolphin (C). Di Loving, Chris Minas, Ann Parkins and Mary Corfield lost 16-29, giving Dolphin the four extra points for an overall win.

WEST DORSET RUGBY REPORTS with Keith Jenkin

Encouraging signs from Bridport

RECENTLY realising that, on the final Saturday in October, I had yet to watch two of my "flock" in league action, and that Puddletown were playing away, I took the road to Crewkerne to take in their game against Taunton thirds whom they easily bested by 34-7.

WIMBORNE 12 DORCHESTER 5

DORCHESTER had the stiff breeze at their backs in the first period but were unable to make it count during an error strewn half from both sides that lacked cohesion in the extreme.

It was Wimborne who opened the scoring when one of their wide runners hopefully chased a kick ahead and received the benefit of a kindly bounce that completely wrong footed the Dorchester defence.

The visitors replied in kind before the interval and their equalising unconverted try too owed something to dame fortune. The home set scrum had come under some pressure and it lost control of a heel close to its own line. The ball ran lose into the path of James Baker who touched it down unopposed.

Playing with the breeze after the break, Wimborne started positively and took the lead with a converted try. For a space they looked the more likely outfit as Dorchester struggled to cope with a couple of injury problems. They put those well and truly behind them however, buckled down and really the final quarter belonged to them as they laid siege to the Wimborne line.

The hosts defended stoutly however and would have heard the whistle for no side with very considerable relief.

Dorchester are going through a very frustrating spell at the moment. For whatever reason they are unable to take points during the periods of a game when they are in the ascendancy and therefore do tend to lose the close encounters, and have become "losing bonus point bankers". The fact that this is a phase that all sides go through at one time or another will be of scant comfort to them.

WEYMOUTH 24 SWANAGE & WAREHAM 2nd 8

THE very stiff cross wind was marginally in the faces of the home side during the first period and it was the league leaders who had the better of the early exchanges in this top of the table clash.

They imposed early pressure and turned it into points by kicking a penalty goal after 10 minutes' play.

Weymouth finally settled however and went into the lead about the end of the first quarter when, having won a lineout close to the Swanage & Wareham line, made a clean catch in the middle and mauled their way over, with Max Vallance coming up with the ball. Sheppard added the extras and, with the game being evenly contested, the scoreline stayed at 7-3 in home favour until the halfway stage.

Weymouth would have felt that they had shaded the first half but nothing was yet settled and they would have been a little concerned to see that the wind, that now was to be in their favour, was dropping away.

They did however, start the second-half in positive mode and extended their lead with a good try, scored by centre Joe Webber who cut a good line and got over from outside the twenty two.

This try remained unconverted but the home side scored another soon after to put daylight between the sides. Winger Will Quick scored this one. Having stepped his marker he showed good pace to round the cover and touch down. Sheppard's conversion kick was again accurate and the home side led 19-3 on the hour.

Their opponents were by no means done however and set up a series of attacks. The Weymouth defence coped, but conceded too many penalties, and eventually Mason was sent to the bin.

Swanage & Wareham narrowed the gap in his absence with an unconverted try but, on his return, the home side reasserted themselves. They went through the phases, protecting their possession and recycling wel.

Swanage & Wareham tapped back and flanker Harry Charles was the first to react. He gathered and touched down what was the bonus point try which, although it remained unconverted, served to take Weymouth to the top of the division.

WINCANTON 3 WEYMOUTH 2nd 53

THE Weymouth second side proved to be too strong for the side who were promoted with them at last season's end. scoring eight tries and conceding just a penalty goal in reply.

Highlight of the afternoon was the brace of tries touched down by hooker James Leach. He ran in the first from about halfway; and for the second he chipped the full-back and regathered the ball (Hookers were not allowed to do that sort of thing in my day).

He was not the only one to bag a brace. James Almond and Robert Smith also crossed the whitewash on two occasions and the try count was completed by Baudouin and Dean. Max Baudouin kicked five conversions and added a penalty goal to complete the scoring, to leave the home side facing what might just be a very long and hard season.

Not such good news for the Weymouth third side. It suffered a bit of a "sage and onion" job at home to visitors, Ellingham & Ringwood thirds 43-12.

BRIDPORT 23 SHERBORNE 2nd 18

THERE was a strong wind blowing from the sea and from one end to the other of the Brewery Field, and Bridport had it at their backs throughout the first period.

Although they enjoyed a territorial advantage for much of the first forty minutes, they made rather too many errors and the interval came with the game scoreless.

As sometimes happens, sides play better when facing the elements and this was one such case. The home side took the lead early in the second half via a Luke King penalty goal and, although Sherborne countered with a similar effort, the home back division had begun to string some meaningful threequarter moves together.

First it was Rob Leins who regained the lead for his side with an unconverted try, and when Dave Cutting ran in another soon after, Bridport were 10 points to the good with the scoreline standing at 13-3.

Issues were far from settled however. Sherborne then narrowed the gap with a penalty goal, and narrowed it still further when they touched down an unconverted try on the hour. It was necessary for the home side to respond and they did so when scrum-half George Sparkes broke and scored with 15minutes left for play. His try remained unconverted and, with just 10 minutes remaining, Sherborne tied things up at 18-18 by scoring a converted effort.

It was all to play for now and, in the final five minutes, home centre Dave Smith had both the pace and the strength to break the visitors' defensive line and touch down. It was not a day for place kickers and the try remained unconverted but it was enough, and was the bonus point try at that. Bridport held on to record a most satisfying win.

I think that Bridport's rebuilding process is proceeding. Having watched both sides recently, and Bridport's game at Ivel, I felt that they would have to improve markedly if they were to come out on top in this one. They did so and can face the rest of the season with confidence.

It was a good day for the Bridport club all round, with their second side coming out on top in their local derby game at Dorchester seconds 23-13.

WHEATSHEAF CABIN CREW 12 PUDDLETOWN 4

INITIAL exchanges gave little indication of what was to come in this Dorset & Wilts League Division Two encounter for, although Puddletown took an early lead when out-half Dovell nipped in for a try, converted by Yeatman, the home side responded immediately with a similar effort.

A rather turgid contest then ensued for much of the remainder of the half, although the visitors scored again when hooker Jeremy Michael-Beale got over. Yeatman's conversion kick was again accurate and Puddletown would have been just about satisfied with their 14-7 lead at the halfway stage.

Strong words were digested with the half-time oranges and Puddletown stretched away with a try by full back Udell within five minutes of the restart and, although Wheatsheaf did respond with a try out wide, it was to be their last effort.

Puddletown's attacks became more sustained as the second-half progressed. Udell got over twice more to complete his hat-trick.

Centre Yeatman got in on the act with a try in addition to kicking six conversions from seven attempts; and when in the final minutes, number eight Spicer made his way through some heavy traffic to complete the try count, Puddletown were out of sight.

PREVIEW

THE leagues take a rest on Saturday next and the day is devoted to cups. Both PUDDLETOWN and DORCHESTER have no involvement and are without games, although the former will be looking for a friendly.

BRIDPORT take on LYTCHETT MINSTER at home who, although in the local cup's catchment area, play their rugby in division two of the Hampshire League, and are a side about whom I, for one, know very little. The considerable journey could well decide the winners of this one.

WEYMOUTH travel to WARMINSTER, opponents with whom they are well acquainted and, if they field a representative side, should come back from there with a win

As to the second sides, both seconds and thirds of the Dorchester and Weymouth clubs are without fixtures, while Bridport seconds will, I suspect, find the going hard against a resurgent Crewkerne outfit. Importantly too, as it is now officially winter time, the games will start earlier, probably at 2.30pm, initially anyway, while cup games will likely start at 2.15pm.

Rugby extras: Weymouth visit Weymouth!

Weymouth visit Weymouth!

WHILST visiting New Zealand for the Rugby World Cup recently, members of Weymouth Rugby Football Club took the opportunity to visit their namesakes in Manukau City, Auckland prior to attending the final between New Zealand and France later that day.

Arthur Fisher, John Parker and ex Weymouth player and chairman Willie Wildash, now the current President of the RFU, and his wife Mary also met with Ben Parker who was part of the successful British Army team that won the first ever International Defence Rugby Competition (IDRC) held in Australia and New Zealand by defeating Australian Services 62-17 in the final the day before.

Ben is a member of WRFC and plays for the club when home on leave, and was part of the team that battled their way to the having defeated the Samoan Police, the French Combined Forces and the Tongan Defence Services on their way; some seriously tough matches.

The UK visitors wanted to meet old friends that they got to know when the antipodeans visited them during a tour of England in 1992.

They received a very warm welcome when they were met by Weymouth Club President Joe Faliu who was accompanied by a number of club members including some members of the original 1992 touring party. They enjoyed some tremendous hospitality and were given a guided tour of the club's facilities. Club shirts were exchanged; both clubs wear light and dark blue shirts.

Weymouth NZ, formed in 1970 are planning to visit England and their British namesakes again in 2015 when the RWC and the IRDC will be held.

North Dorset U14 12 Weymouth 15

WEYMOUTH got away to best of possible starts with a kick and chase try by Jonathan Young.

North Dorset fought straight back and were camped out on Weymouth's five metre line for a number of scrums before Greg Harris forced over for a try that was converted to give the home team a lead of 7-5.

The game became scrappy with handling mistakes from both sides and a struggling Weymouth scrum penalised by a second try for the hosts following a fine run from Hector Neale giving the home team a lead of 12-5 at the break.

Weymouth reorganised at half-time and started to get the ball to their backs resulting in a try from Calen Ryan taking the ball from his own 22 outpacing the opposition to bring the score back to a nail biting 12-10.

Good pressure from a revitalised Weymouth pack driven by Nat Baynham-Jones gave them territorial advantage. The match was decided when Toby de Kretser caught a mis-directed kick and ran it back in for the winning try.

Under 9s

TWO matches against the Swans saw great victories for Weymouth.

The first game showed the teams attacking flair with a 9-2 win. Four of the tries were scored by Toby, with some amazing runs. It also saw Joules Hicks score his first try for the club since joining only a month ago.

The second match saw their defensive skills, where Weymouth were under pressure for long periods but still won 2-0. Man-of-the-Match was Hicks.

Six Cub packs took part representing North, South, East, West, Upwey and Chesil Scout Groups in warm sunshine, unlike the June tournament played in pouring rain on the beach.

Enthusiasm and skill from all the teams was in abundance thanks to the coaching staff at WRFC with Chesil

With the expertise and guidance from the coaching staff at WRFC the games progressed with enthusiasm and skill from all the teams taking part.

The winners were Chesil Dynamites who won all four games, with South Jolly Jail the runners-up with three wins. Barbarians, Bulldozers and East Shadow all won one game.

The trophy and certificates were presented by the President of the Rugby Club, Des Quick.

Assistant District Commissioner Cub Section, Maureen Adams would like to convey the thanks of all the cubs taking part taking and to Glyn Arnold and Chris Davis , the coaches and referees and all at WRFC who gave their time to make this such a fun and exciting event for the Cubs.

FOOTBALL ROUND-UP

with Stuart Broom

Magpies bring Angels down to earth

Magpies throw away two goal lead

Havant & Waterlooville 4 Dorchester Town 2 - Att: 539

IT LOOKED like Dorchester Town had put their poor display in the defeat at home to Boreham Wood to bed as they raced into a two goal lead in the first 15 minutes at Westleigh Park on Tuesday.

However the Hawks hit back after the interval to score four times to send Dorchester to their seventh defeat in the last eight matches which led to manager Ashley Vickers being sacked two days later.

Despite receiving chairman Shaun Hearn's vote of confidence three weeks earlier, the results suggested that Vickers needed to reverse the losing spiral quickly, and it appeared that his side had finally found the winning formula as Gary Bowles and Ben Dickenson gave them a great start.

Ryan Moss went close from Nick Crittenden's cross with a header that flew past the far post, before Bowles struck on eight minutes; Crittenden's corner was headed on and Bowles applied the finishing touch at the far post.

Steven Ramsay forced Alan Walker-Harris into pushing his 20-yard shot around the post, before Dickenson doubled the Magpies advantage when he turned and drove a low shot just inside the near post after cutting in from the right and running along the top of the penalty area.

Little was seen of the Hawks attack in the first-half, and Crittenden almost added a third on halftime but his volley from Dickenson's cross flew wide of the goal.

The hosts changed things around at the break and came out of the blocks quickly and pulled a goal back within four minutes of the restart. Walker-Harris failed to hold Perry Ryan's header which he could only push onto the post, and Ollie Palmer was on hand to thump home the rebound. Just before the hour he levelled the score with a downward header from another Sammy Igoe cross.

This had Dorchester reeleing and on 65 minutes the Hawks took the lead when Igoe was on hand to net after Walker-Harris had palmed Scott Jones' angled shot into his path.

Havant continued to lay siege on the visitor's goal and they made the game safe seven minutes from full-time when Ryan Woodford swept home Igoe's pass from the edge of the box.

Dorchester Town 3 Tonbridge Angels 1 - Att: 417

DORCHESTER Town players put the stress of the previous few days behind them and got back to winning ways under the direction of caretaker manager Phil Simkin.

With Ashley Vickers having been relieved of his duties less than 48 hours earlier, Simkin and captain Mark Jermyn had been tasked with leading the Magpies into Saturday's home match with Tonbridge Angels.

In fact Jermyn who had been sidelined for eight weeks with a nasty cruciate knee injury, passed a late fitness test to take his place on the field alongside Nathan Walker in the centre of defence, whilst he was replaced in the dugout by former Terra Gary Borthwick.

The game started at a high tempo with the Angels, with a record for scoring and conceding goals, taking the initiative with Kayne McLaggon testing Magpies keeper Alan Walker-Harris early on with a 20-yard shot which he parried.

However it was Ben Dickenson playing through the middle with Ryan Moss who put the home side ahead after eight minutes with a stupendous goal. Picking the ball up on the halfway line, he moved forward before crashing a terrific 35-yard shot past Angel's keeper Lee Worgan who was almost rooted to the spot.

Four minutes later he was involved in Dorchester's second goal, his corner kick being headed home by Moss from close range.

Tonbridge however were not prepared to lie down, and they twice struck the outside of the woodwork as they went looking to reduce the deficit; McLaggon and Frannie Collin the two unlucky players.

However McLaggon was rewarded for his efforts on 26 minutes when he blasted his shot beyond the advancing Walker-Harris after he had been put in on goal by Collin.

Walker-Harris who was later named Man-of-the-Match then produced two excellent saves both from Collin to allow the Magpies to go in at the interval in the lead.

Despite having to survive a barrage of long throws from one of the Angels players, Dorchester kept their opponents at bay as they pressed for an equaliser, although they had a lucky let off on 76 minutes when Lee Browning somehow struck the post from close in when it looked easier to score, and seven minutes later when he did get it right, Walker-Harris made a superb save from him.

Moss made it a rewarding start for Simkin a minute from time when he smashed home the rebound after Dickenson's shot had come back off the crossbar.

Reed strike keeps Terras run going

Weymouth 1 Oxford City 0 - Att: 622

WEYMOUTH continued their recent good form with a battling win over fourth placed Oxford City on Tuesday with a 10th minute goal from Stephen Reed.

The Terras midfielder secured all three Evo-Stick Souther Premier Division points with a 25-yard free-kick that took a deflection off the wall to beat City's 'keeper Jason Mooney.

Weymouth had the better of the opening exchanges and Sam Poole had two chances after Reed's strike but first shot straight at Mooney before firing over from Reed's corner just after.

City looked anything but title contenders and the nearest they came was in first haldf added time when Nick Jordan playing his first game for the Terras since returning on loan from Dorchester Town due to Tom Manley's unavailability, raced off his line to prevent Steve Basham getting a shot in.

However they had a great chance within a minute of the restart, but once again Jordan thwarted them. This time he smothered the ball at Felipe Barcelos' feet after outwitting him when Ben Gerring failed to cut out a long punt forward.

Warren Byerley might have sealed the match for the home side but Mooney pushed his shot away after the striker had been set up by sub Jamie Beasley.

In an unusual substitution City withdrew Jamie Heapy for sub 'keeper Mark Scott, and pushed Mooney into the striker role, but it made no difference as Weymouth held out for the points without too much trouble.

Wells complete double with second half brace

Bridport 2 Wells City 4 - Att: 87

WELLS City completed the double over Bridport when they scored twice in the second half for victory after the Bees had equalised twice in the first-half.

Although beaten 6-2 in Somerset early on in the season, manager Trevor Senior felt the score did not reflect the game, and was looking to put that right at St Mary's Field.

Bridport opened brightly and Sam Charles hit the post inside two minutes before Tom Richardson saw his header saved, but Wells went ahead with their first attack through Jamie Howson.

Bridport hit back to equalise through Richardson who glanced home Dan Wise's cross, and then laid siege to the visitor's goal forcing six corners in quick succession, but it was Wells that went back in front five minutes before the break with only their second chance of the game.

Joe Charles' miscued a clearing header and only succeeded in playing the ball back into the middle of the goal where Jake Brown scored from 12 yards.

Once again Bridport responded and when Jamie Morgan found Matt Condliffe on the opposite flank with a great ball, the wingback in turn supplied the perfect cross for Sam Charles to score with a downward header.

Wells keeper Owen Dunn denied both Chris Senior and Condliffe from the rebound with good saves early in the second half before the visitors went ahead again with Brown's second.

They secured the point's midway through the half when Tom Manning was set free after a Bridport attack broke down, and although Darren Lock hit the crossbar late on, Wells completed the double.

Senior said afterwards: "I thought the first-half was as well as we have played all season and we knocked it around well, but once again we have conceded two to go in at 2-2. Both goals were unfortunate; the first was a good goal but from their first attack, and the second Joe Charles didn't clear it as well as he might have done and their guy finished it off, but we scored two to level it up at the break.

"Then having gone 3-2 behind in the second half we were a bit naive, and when Sam Charles lost the ball when it was played up to him we were already in support of him and had gone beyond. As a result there was big hole in the middle and they ran through to score.

"We could learn a lesson from Wells, because when they get their noses in front, and I have played then four times, they are difficult to break down. They get their two banks of four or nine men behind the ball

"We deserved to win the game, but the goals we conceded were avoidable, but we learned from Tuesday to keep our shape better and that stood us in good stead.

Senior has been linked with the vacant manager's job at Dorchester Town following Ashley Vickers sacking last week.

The former Reading striker started his career at the Magpies, and is a favourite with many to become at least part of the management team at The Avenue, but Senior will not be drawn of the subject.

"I've been here before, and every time the jobs available my names been mentioned, but I don't wish to comment at the moment."

■ **FULL STRETCH**: BRIDPORT goalkeeper Sam Filkins was in fine form in the 3-2 win over Brislington.

Bees show character to take the points

Bridport 3 Brislington 2 - Att: 114

BRIDPORT recovered from a two goal deficit to win all three points with a Sam Charles goal, his second of the game, just two minutes from normal time.

The result will be a huge fillip for both manager Trevor Senior and his players who despite some good performances have found the in the Toolstation Western League Premier Division errors are punished, and you must take your chances.

Once again the Bees conceded two goals which could have been avoided, but on this occasion they were able to take three points which puts daylight between them and the bottom two.

Brislington took the lead on seven minutes when the unmarked Jason Hughes had time to pick his spot to head the visitors into the lead from a corner. They doubled their advantage on 25 minutes when Filkins inexplicably let a Mike Rimmer shot slip through his hands and over the line.

Bridport however soon hit back to reduce the deficit following a good four man move that saw Dan Wise put Jamie Morgan in just inside the right hand corner of the penalty box. His low angled drive beat keeper Chris Humphries allowing Sam Charles to slide in and nudge it home.

This gave the Bees confidence and Tom Richardson was unlucky with a superb effort. Receiving the ball on the left corner of the penalty area he turned inside and bent his shot round a defender and Humphries but the ball just went wide of the far post. Then Shane Evans was denied by an excellent acrobatic save from Humphries who tipped his thumping 12-yard header from Wise's corner over the angle of the goal frame.

Bridport had the lion's share of play in the second half and equalised just after the hour when they were awarded a penalty for a handling infringement following an Evans shot and Wise confidently sent the keeper the wrong way from the spot.

Bridport were indebted to Filkins for keeping them level with two excellent saves before sub Michael Hailu almost scored on his debut with four minutes remaining.

Darren Watts who had replaced Morgan on the hour hit a thunderous drive from 30-yards that smacked against the crossbar before bouncing down and hitting Humphries on the back. The ball rolled across the face of the goal where Hialu sidefooted the ball towards goal only for a defender to produce a superb sliding clearance to put the ball for a corner.

However Bridport got the winner they deserved for their endeavour just two minutes from time when a long ball from Joe Charles put his brother Sam in behind the Briz defence and he deftly lobbed the advancing Humphries to score in the corner.

Bridport U12 3 Weymouth 3

BRIDPORT showed why they remain unbeaten this season by recovering from a 1-3 deficit to force a draw with Weymouth.

Despite having the better of the play and taking the lead through Freddy Valinski, the home team found themselves 1-2 down at the interval.

An own goal increased the visitors lead, but instead of folding, Bridport hit back with a series of attacks resulting in two outstanding goals from Callan Laydon to draw level. Bridport felt they were denied a penalty when the tricky Valinski was bundled over and with Sam Handyside also a threat, Weymouth were glad to return home with a point.

Bees looking for the final ball

Parley 2 Bridport Reserves 1

ONCE again Bridport Reserves came away with nothing in a game they deserved something.

Joint manager Steve Crabb said: "So often this season we have just failed to turn our superiority into wins, which is disappointing. Defensively we are very solid and don't concede too many, whilst our strikers work very hard without success.

"I think our problem stems from our decision making, and choosing the wrong option in the final third, and that is something we need to address because we are playing some good football without getting results."

He added: "I feel sorry for Jamie Fry because he has been on the losing side three times in a row now and hasn't made a mistake.

"Our defenders Paul Fellows, Ashley Clarke and Adam Stordy were very solid and worked hard, and restricted Parley to their two chances, both of which they took very well, and one other shot which Jamie dealt well with.

"We had 60 per cent of the possession on Saturday yet lost. We've set our sights high this season after a good one last year, but perhaps we should accept sometimes that a draw is a good result."

Parley took the lead when Michael Laronde headed home from a good cross midway through the first half, although Tristan Gale was unlucky with a 30-yard shot at goal with the keeper out of position that was kicked off the line.

Adam Steele restored parity though on the hour, before Gale was unlucky with a shot that brought a great save from the Parley gloveman.

The hosts won the game however with a fabulous goal from Tobias Holmes that would grace almost any ground. Collecting the ball on the halfway line, he backheeled it and took the return before playing a couple of one-two's as he skipped through the Bees defence to fire past Fry.

Crabb said: "It was a great goal, but really only their second chance on goal which is disappointing. I'm convinced our luck will change soon however because we are playing good football."

The soldiers from Blandford Army Camp had won all their six Dorset League Division Two matches this season, but a brace from Jack Scovell and one from Chris Symes destroyed that record.

Hearn ponders replacement after Vickers is fired

By Stuart Broom

DORCHESTER Town Chairman Shaun Hearn finally put an end to Ashley Vickers' near two year tenure as manager when he sacked him following a meeting last Thursday afternoon in what he described as 'the hardest decision I have had to make.'

However after a run of seven defeats in the last eight games, Hearn felt he had no option to relieve the former player of his duties.

A statement, released on the club's behalf by secretary David Martin reads: "Following a meeting with the directors it has been mutually agreed that Ashley Vickers will leave the post of team manager with immediate effect.

"Phil Simkin and Mark Jermyn have been asked to take charge of Thursday night training and the match against Tonbridge on Saturday.

"The board of directors would like to thank Ashley for the work he has done in the last two years.

"He has approached the job with tremendous enthusiasm and passion always wearing his heart on his sleeve.

"The board persuaded Ashley to take on the role at a difficult time, when he was not necessarily looking for a role in football management and the board appreciate his efforts working within a tight budget.

"However, in a results business, the run of poor results was having an impact on all sources of income.

"The board is sure that, with a little more luck, Ashley will be a very successful manager elsewhere one day."

The announcement sparked a flurry of enquiries from prospective candidates for the vacant post, and the board held a meeting before Saturday's match to discuss the situation.

It is reported that Hearn expects to make a decision in the next two weeks once the board have had time to sift through the list which is reputed to number 15.

As a result of the decision first-team coach Andy Harris, who was appointed by his close friend Vickers, has also left the club.

In the meantime assistant manager Simkin and first team captain Jermyn took charge of the home match against Tonbridge Angels and came away with a 3-1 victory with two goals from Ryan Moss and a thunderbolt from Ben Dickenson.

Jermyn passed a late fitness test which allowed him to return to the team for his first game in eight weeks following a cruciate knee injury.

"I felt that if there was any way that Jem could play, I wanted him out there. He is an inspiration and whilst we didn't want to aggravate the injury by returning too early, he was happy that he was fit, and he played a major part in the win," said Simkin, who also changed Dickenson's role by playing him up front with Moss rather than in his normal role wide left, and it worked well.

"Ben is very quick and a strong lad, and I have felt that with him playing on the defender's shoulder he would get goals, which he proved today.

"He has surprised the keeper I think because he has no real back lift, and I think the ball was past him before he realised."

Simkin was also full of praise for keeper Alan Walker-Harris. "He was absolutely superb. They are an attacking side; they score and concede a lot of goals; and in the second-half they threw everything at us.

"They have a lad with a massive long throw and he was just launching them right into the middle of the danger area, and beyond, and Alan was not only very brave but did a superb job shot stopping as well.

"I have to praise all the lads to be fair because in that situation they put their bodies on the line, and despite all the upheaval and the disappointment of Ash being sacked, they gave everything.

"It goes without saying I was very sad to see Ash go, as we all were. We have great admiration for the way he has gone about the job and he had built up a great rapport with the players and staff."

Simkin is a big favourite with many fans to take over the manager's role, but he would not be drawn on the situation.

"Anybody would obviously be interested in a job at this level, but I will carry on from day to day and do what the club require of me.

"There is a lot of things that need to be dealt with in the mean time which I am attending to."
